Note: Special Topics courses (Optativos) are offered in every Department as of Year 2. Examples of past year electives include "Introduction to the study of Religion", "Black & Mulatto Women in Colonial Habana", and "Human Geography". Please ask the RD for the current list of electives offered in your semester of study.

There are some courses that are offered in every Department. Even though the course title is the same, the contact hours and course focus varies according to the Department.
