

Alicante International Studies Program | Course Pre-Registration

The semester begins with a 4-week Intensive Period, with students enrolling in a language class. Following the Intensive Period, students continue their semester with a full course schedule, enrolling in an additional two to three courses. After consulting with your school's academic advisor, please choose courses according to the following guidelines:

1. Minimum 2.75 overall GPA. Consult the [SSA website](#) (under the Choose Your Courses section) for individual course prerequisites.
2. Students must preregister for a minimum of 12 and a maximum of 18 credits over the Intensive and Continuation Periods.
3. Please note that enrollment in individual courses, especially language courses, depends upon your score on the University of Alicante's [Online Spanish Language Placement Exam](#) and classroom performance during the add/drop period.
4. Select one language course during the Intensive Period, according to your language level.
5. During the Continuation Period, students may select courses from the Culture sections as well as the Integrated Courses in English at UA.
6. Advanced students may take additional credits with prior approval from their school's academic advisor and the Resident Director. Most integrated courses meet for 45 or 60 hours per semester and equal 3 to 4 academic credits respectively.
7. To choose your integrated courses in English at UA please visit: <http://web.ua.es/es/vr-ric/cursos-en-ingles.html>. After reviewing the courses available, note the titles and codes of the UA courses in which you would like to enroll and alternates for each of those courses. You may take between one and three courses at UA. For the purposes of this preregistration, assume all courses are worth 4 credits.
8. UA reserves the right to cancel courses due to low enrollment.
9. Internships and Living the Culture courses are approved in Alicante. Students may note their interest in these opportunities but must preregister for a full non-Experiential Learning course load during the Continuation Period.
10. Students in this course of study are enrolled in classes at UA, and finals for fall and spring semesters at UA follow a different schedule from that of the program. Students are often able to schedule early exams with approval from their professor at UA and should plan to coordinate these arrangements at the beginning of the semester.
11. Please note that there are additional fees for Living the Culture (LTC) courses. Contact SSA for details.
