

Alicante Spanish Studies Program | Course Pre-Registration

The semester begins with a 4-week Intensive Period, with students enrolling in a language class. Following the Intensive Period, students continue their semester with a full course schedule, enrolling in an additional two to three courses. After consulting with your school's academic advisor, please choose courses according to the following guidelines:

1. The SSA prerequisite for this program is the successful completion of two semesters of elementary college Spanish or the equivalent prior to the program. Minimum 2.75 GPA in Spanish coursework. Consult the [SSA website](#) (under the Choose Your Courses section) for individual course prerequisites.
2. Students must preregister for a minimum of 12 and a maximum of 18 credits over the Intensive and Continuation Periods.
3. Please note that enrollment in individual courses, especially language courses, depends upon your score on the University of Alicante's [Online Spanish Language Placement Exam](#) and classroom performance during the add/drop period.
4. Select one language course during the Intensive Period, according to your language level.
5. Students who preregister for SPAN 203UA - Intermediate Spanish I during the Intensive Period may only enroll in SPAN 275UA-A - Intermediate Conversation I as a complementary course and must preregister for SPAN 204UA - Intermediate Spanish II during the Continuation Period.
6. During the Continuation Period, you are required to elect a second language course.
7. Academic Year students are not required to enroll in a language course during the Continuation period of the spring semester
8. Experiential Learning opportunities are approved in Alicante. The prerequisite for an internship is one course in advanced college Spanish prior to the start of the program. Students may note their interest in these opportunities, but must preregister for a full course load from non-Experiential Learning courses during the Continuation Period.
9. All courses are offered in both the fall and spring semesters. UA reserves the right to cancel courses due to low enrollment.
10. If enrolling in SPAN 360UA - Spanish for Business, please select an alternate course in the event that UA has to cancel the course due to low enrollment. -
11. Please note that there are additional fees for Living the Culture (LTC) courses. Contact SSA for details.
