Liberal Arts in Advanced Spanish Course Preregistration Guidelines

Most of your coursework in this program will be completed at the Universidad de Alicante's Centro Superior de Idiomas, where you will take courses designed specifically for SSA and other international students. In addition, you may enroll in one to three direct-enrollment courses at the Universidad de Alicante (UA), giving you the opportunity to study alongside local Spanish students and further immerse yourself in the university's academic environment.

The semester begins with a 4-week Intensive Period, with students enrolling in a Spanish course. Following the Intensive Period, students continue their semester with a full course schedule, enrolling in an additional two to three courses.

After consulting with your school's academic advisor, choose courses according to the following guidelines.

Prerequisites:

1. Minimum 2.5 GPA
2. You must have completed two courses of advanced college-level Spanish or the equivalent prior to the beginning of the program, and placed into at least a BI level on the [Online Spanish Language Placement Exam](#).
3. Placement in Spanish courses during the Intensive Period is based on your score on the [Online Spanish Language Placement Exam](#).

Instructions:

1. You must preregister for a minimum of 12 and a maximum of 18 credits.
2. You must preregister for a Spanish language course during the Intensive Period based on your score on the [Online Spanish Language Placement Exam](#).
3. You may preregister for an additional 1-credit complementary Spanish language course during the Intensive Period.
4. During the Continuation Period, we recommend the following course combination:
 - o Most of your courses from the Courses at UA's Centro Superior de Idiomas section
 - o One to three courses in your field(s) of interest from the Recommended Courses at Universidad de Alicante section
5. Additional fees apply to Living the Culture (LTC) courses. Contact SSA for details.
6. SSA and the Universidad de Alicante reserve the right to cancel courses due to low enrollment.
