

Buenos Aires, Argentina

Liberal Arts in Advanced Spanish

Course Preregistration Guidelines

In this program, the majority of your coursework will be completed at the Universidad Católica de Argentina's Programa de Estudios Latinoamericanos (PEL), where you will take courses specifically designed for SSA and other international students. In addition, you will have the opportunity to enroll in one to two direct-enrollment courses at the Universidad Católica Argentina (UCA), allowing you to study alongside local Argentine students and further immerse yourself in the academic environment.

After consulting with your school's academic advisor, choose courses according to the following guidelines.

Prerequisites:

1. Minimum 2.5 GPA
2. You must be at least a sophomore in college by the time the Buenos Aires program begins.
3. You must have completed two courses of advanced college-level Spanish or the equivalent prior to the beginning of the program, and placed into at least a B1.2 level on the [Online Spanish Language Placement Exam](#). If you place below B1.2, you must preregister for at least one Spanish language course.

Instructions:

1. You must preregister for a minimum of 12 and a maximum of 18 credits.
2. We recommend the following course combination:
 - Most of your courses from the Programa de Estudios Latinoamericanos (PEL) section
 - One or two content courses in your field(s) of interest from the Recommended Courses in Liberal Arts in Advanced Spanish section
3. "E" at the end of a course code indicates that the course is taught in English.
4. SSA and Universidad Católica Argentina reserve the right to cancel courses due to low enrollment.
