Liberal Arts in Advanced Spanish Course Preregistration Guidelines

In this program, the majority of your coursework will be completed at the SSA Center, where you will take courses specifically designed for SSA students. In addition, you will have the opportunity to enroll in one to two direct-enrollment courses at the Universidad de Sevilla (USEV), allowing you to study alongside local Spanish students and further immerse yourself in the academic environment.

After consulting with your school's academic advisor, choose courses according to the following guidelines.

Prerequisites:

1. Minimum 2.5 GPA
2. You must have completed two courses of advanced college-level Spanish or the equivalent prior to the beginning of the program, and placed into at least a B1 level on the [Online Spanish Language Placement Exam](#).

Instructions:

1. You must preregister for a minimum of 12 and a maximum of 18 credits.
2. We recommend the following course combination:
 - o Most of your courses from the Courses at the SSA Center section
 - o One or two courses in your field(s) of interest from the Recommended Courses at Universidad de Sevilla section
3. SSA and the Universidad de Sevilla reserve the right to cancel courses due to low enrollment.
